

Summer Meeting 7/13/16 HET and Communication

How evident were the HET themes in the curriculum your child participated in at their level?

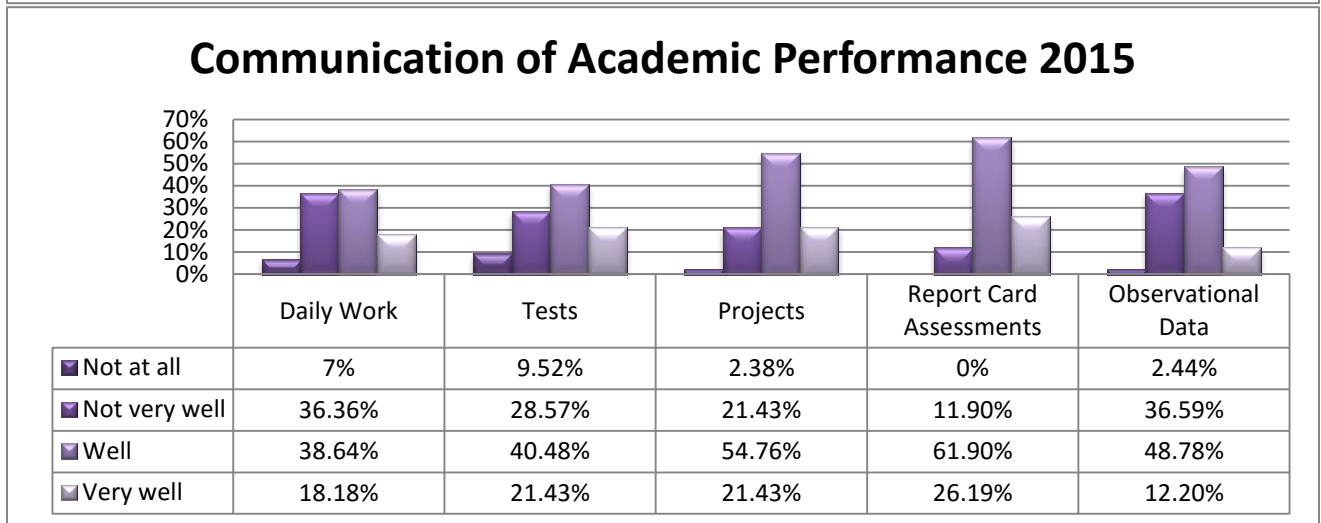

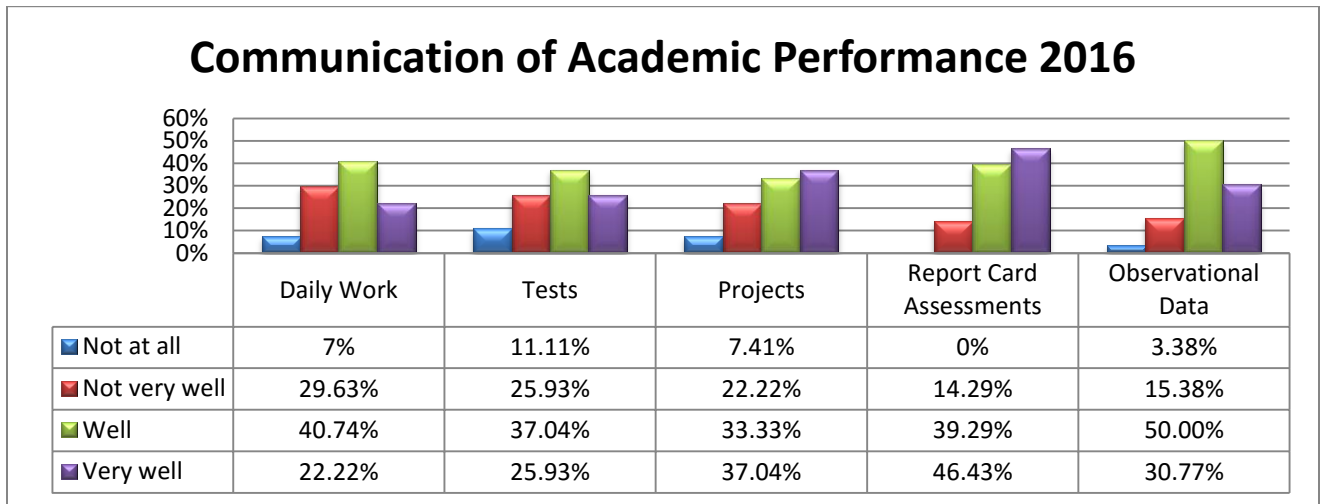

2015-2016 HET Themes

Comments from Discussion:

- Adding HET theme information to Newsletter, not just Back to School Night
 - o Add reminders 3 times a year, 2 weeks before change
 - o Add link in newsletter to website pages
- HET theme maps are on the website on each level's front page
- Staff was trained three years ago- staff will go again in the next few years
- Walk-a-thon funds were used to pay for training three years ago
- HET volunteer team- sending information to Mr. Hagan
- Need parent help finding activities/speakers/field trips for themes

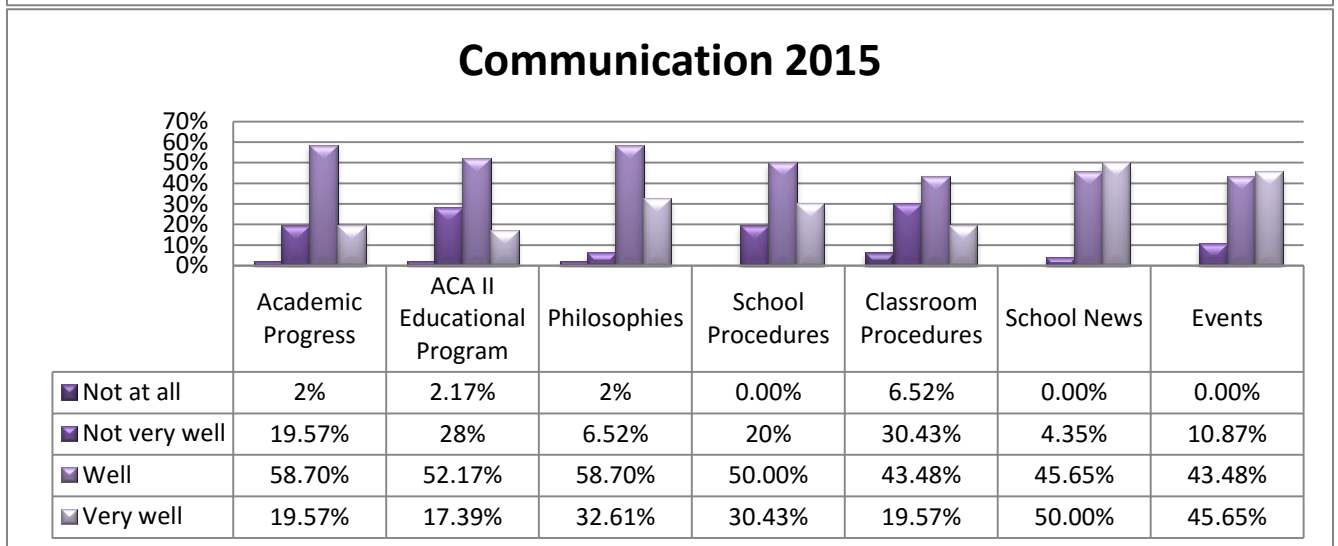

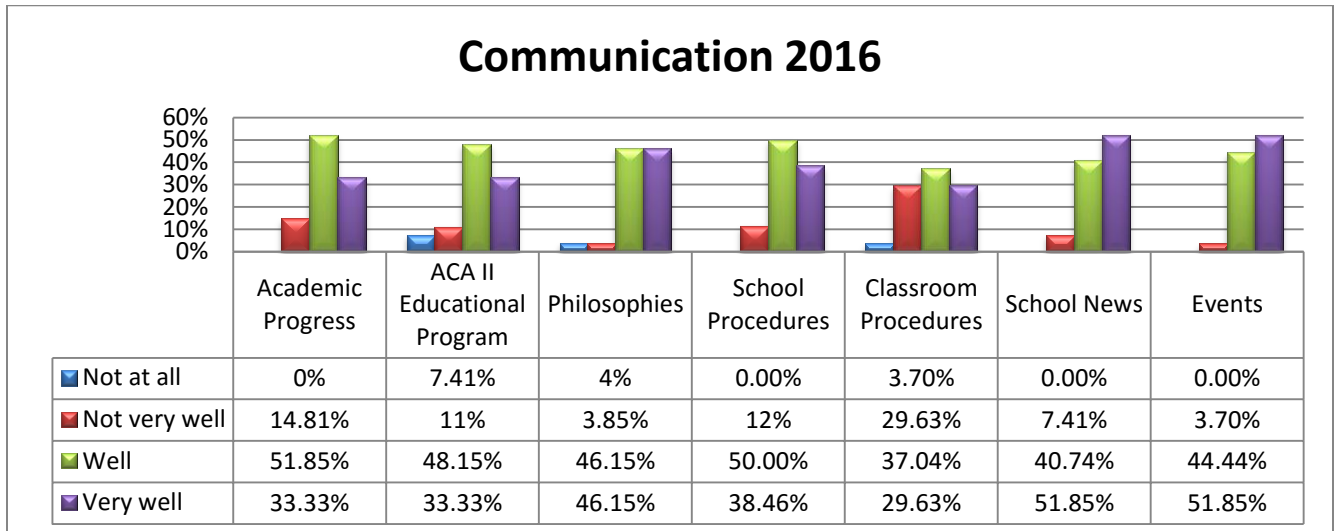

How well do you feel ACA II communicates information about your child's academic performance through:

Comments from discussion:

- Timing of when projects are due may be an issue for some kids, especially in middle school
- Learn organization for Middle School projects in Intermediate through research projects
- Give different surveys for each level so that feedback can be sorted by level
 - o Tailor survey by each level
- School is looking into ways to reach parents who speak different languages
 - o Possibility of volunteer position willing to translate information/materials/newsletter or available to help with translations/questions
 - o Adding position on the network board for Spanish speaking liaison

How well does ACA II communicate with you with regards to:

Comments from discussion:

- Lowest well/very well percentages for classroom procedures
- If parents are more informed about classroom procedures, they can help review and reinforce procedures at home
- Update parents on revised/new classroom procedures through newsletter
- Procedures are discussed and practiced at all levels with students, especially after a change or vacation breaks
- Some parents are overwhelmed by the amount of information to read on weekly newsletters
- Back to School night information is available on the website
- Show parents where to find info on the website at Back to School Night
